RTBU Election Supplement

Dear Candidate,

In accordance with past practice and the Union Rules, we will be compiling an Election Supplement of the Rail & Road, to provide candidates in the union elections the opportunity to submit a photograph and / or written material in support of their candidacy.

In providing an equal opportunity for all candidates the material will be limited to between 200 – 225 words (maximum) per candidate. A team of candidates may submit combined material for the team candidates, not exceeding one page (maximum of 500 words). Each candidate may also supply a photo of themselves for inclusion in this material. All written material and photos should be supplied in electronic format (text ideally in Word format and photos as jpeg attachments, and not included in the Word document) and forwarded to Peter O'Connor at unionnetwork@bigpond.com

The compilation of this supplement is a very labour intensive and time consuming process, so hard copies of text or photos will not be accepted. I also urge all candidates to keep their submissions within the word limit, as it is not appropriate for this material to be edited. Any submissions exceeding the word limit will be returned to candidate to amend, time allowing.

The only exclusions from this Election Supplement, will be any material containing personally abusive or potentially legally unacceptable content, or material exceeding the word limit.

To allow adequate preparation and production time, the final deadline for any material to be included in the Supplement will be Friday 3 August 2018.

The Election Supplement will be distributed to members immediately prior to ballots opening on 3 September 2018.

Yours Sincerely,

ALEX CLAASSENS
