

# NSW LIBERALS

# TRANSPORT SCORE CARD

Over the last four years the NSW Liberal Government has constantly attacked our working conditions and begun its agenda to privatise our transport network by stealth. Here's what we have seen so far:

- 1440 RailCorp jobs **GONE**
- 600 transit officers' jobs **GONE**
- 155 ticket sellers **GONE**
- 290 cleaners' jobs **GONE**
- Transport Appeals Board **GONE**
- Drug and Alcohol testers' jobs **GONE**
- Journey Cover **GONE**
- Guardian Trains **GONE**

**IF BAIRD'S NSW COALITION IS  
ELECTED AGAIN WE CAN EXPECT:**

**More  
job cuts**

**More  
privatisation**

**Driverless,  
single deck trains**
