

# TIME FOR ACTION

15th January 2018

Today, we notified Sydney & NSW Trains management that we will begin taking action.

## **Action 1 - Wear and display union and industrial campaign material such as union apparel & badges**

This action will start at **12:01am on Friday the 19th January**. Badges will be distributed by your delegates and organisers in the next few days.

## **Action 2 - An indefinite ban on overtime**

This action will start at **12:01am on Thursday the 25th January**. We have seen in the past few days that excessive overtime is leaving workers across the network fatigued and exhausted. We are acting to protect our workmates and commuters. Delegates and organisers will be in contact about how to implement that in your area.

While these actions are on, management cannot force you to remove your badge or union apparel or accept overtime work.

**Only RTBU members are protected by law in taking part in this action so make sure you go to [bit.ly/rtbujoin](http://bit.ly/rtbujoin) and join today!**
