

Dear members,

It's that time of year again when we all come together and celebrate the achievements of the proud unionists that have come before us and gear up to face the challenges ahead of us today.

This May Day is particularly important given how close we are to the Federal Election where we are campaigning to Change the Government so we can Change the Rules.

We want to Change the Rules because the system is currently weighed heavily against working people and industrial laws have been eroded so much that the right to strike has been taken from us, as the RTBU experienced in January 2018.

We've got plenty of events happening around the state, so check out this table to find an event near you.

If you don't get involved in union events much, well, this is the day to come along and get involved! We will be giving out 100 free t-shirt to the first 100 members to RSVP to the Sydney May day rallies by nswho@rtbu-nsw.asn.au. If you are not attending the Sydney rallies and would still like a t-shirt for a different rally, please email nswho@rtbu-nsw.asn.au to find out how to get one.
