

## RTBU SNAP RALLY at METRO TRAINS SYDNEY (MTS)

Following the termination of the RTBU delegate at Metro Trains Sydney (MTS) last week without reason, the RTBU is holding a snap rally/protest at MTS to show the company that we will not stand for the unjust actions of a company who thinks that they can do what they want without consequence. The details of the rally are as follows:

**DATE: 03 April 2019**

**TIME: 12pm**

**LOCATION: 47 Tallawong Road Rouse Hill NSW 2155**

The closest station to the MTS site is Schofields. If you require a lift from the station, please call Jess on 0401 521 561.

The RTBU has also organised two buses to transport people who are CBD-based (or who can come to the city) to and from the rally. There will be a **minibus leaving 321 Pitt Street Sydney NSW 2000 @ 11am**. A **second bus will leave Circular Quay station at 10:30am**.

The RTBU will be at Circular Quay from 8:00am to 10:30am in support of the MUA's rally in support of striking ferry workers. It is our preference that people show up to the MUA rally at Circular Quay from 8:00am onwards to show solidarity with our MUA comrades and then catch the bus from there. However, if you are unable to attend this rally, then you are more than welcome to catch the 11:00am bus from the RTBU office in Pitt Street.

In the meantime, we will be filing an injunction in the Federal Court on behalf of our RTBU delegate. If you have any questions or concerns in the meantime, please contact the RTBU on (02) 9264 2511 or email [metro@rtbu-nsw.asn.au](mailto:metro@rtbu-nsw.asn.au).
