

Transport Officer Holiday Rostering: Dispute

Dear Members,

The NSW Branch Office has been approached to intervene in an ongoing dispute about proposed holiday rostering. Prior to any discussion with management it is important we seek the views of the membership.

We have created a simple survey for you to give us your view.

[The survey should only take a minute or two so have your say by clicking right here.](#)

We understand that this needs to be acted on quickly. The survey will close at 5pm on Monday July 13, 2020.

The outcome of this survey will tell us where to go next. That's why it's important that you share your views with us.

To be clear, the RTBU will not act on this matter without consultation and approval from the majority of affected members. We are always stronger together.

Please contact us at nswwho@rtbu-nsw.asn.au if you have any questions and we will be happy to assist.
