## Update on Ellmoos Road Upgrade

Late last year we advised of ongoing roadworks to upgrade Ellmoos Road, leading into the RTBU Holiday Park

Vegetation trimming is scheduled to re-commence **Thursday 21 January**, with road remediation works due to re-commence **Wednesday 27 January** at the earliest. Can you please inform your visitors of the time schedules in the table below and remind them to travel with extreme caution. Please note that these times are guides only. We apologise for any inconvenience.

Four(4) identified sections of road works to be undertaken for road remediation, reshaping formation and gravel re-sheeting. Section 1 and a portion of Section 2 have been completed.

Five (5) trucks are scheduled to arrive in the morning and five (5) trucks in the afternoon.

In total 23 weeks has been allocated for these scheduled works, please note that rain, heavy winds, traffic, delays will have an effect on these time frames below.

Section 2: Three (3) weeks remaining

Section 3: Six (6) weeks

Section 4: Six (6) weeks

Roadworks will be in operation during the following days/times below. Please note that these times are guides only.
