Categories : [RTBU News](#)

Date : 6 January, 2020

This February, Save Our Sons is hosting a fundraiser to save young lives - and they need your help.

Founded by one of the Rail, Tram and Bus Union's Flemington train drivers, Save Our Sons is a charity funding research into Duchenne Muscular Dystrophy, a rare condition predominantly affecting young boys aged 10-15. The disease causes wasting of muscle tissue and can be fatal - but we don't yet have a cure.

Join us on 23rd February for a Sondag Funday to raise money for this worthy cause, with rides, food stalls, face painting and a host of other family-friendly activities.
