Last Saturday the ETR celebrated their second annual Reunion.

150 people from all over the state joined together in recognition of their hard work. Together the attendees had clocked up over 5600 years of service!

The ETR Reunion 2017 welcomed a mix of current drivers retired drivers, and any other workers of the suburban trains.

RTBU Secretary Alex Claassens was there alongside RTBU delegates to support the BBQ effort!

Well done to Garry and Margret Durrant for organising such a great event. A good day was had by all!
