The Australian Mutuals Foundation is proudly supporting the Barnardos Gifts for Kids – Christmas Gift Appeal and we're encouraging [all RTBU members to get involved too](#).

The appeal gives thousands of disadvantaged Australian children the opportunity to open a present on Christmas Day.

This year Barnardos is hoping to receive 10,000 presents for the children in their specialised programs, some of whom have experienced abuse, neglect, poverty and homelessness and do not normally get the chance to have presents at Christmas. Your gift donation will have a lasting impact on these children's lives.

There are a range of ways you can get involved – from inviting colleagues to donate presents, to [purchasing a gift online](#), or by making a donation.

Help make someone's Christmas special this year. [Click here to get involved](#).
