

## Newsflash: Hunter Valley and Gunnedah Basin Coal News

Categories : [RTBU News](#)

Date : 7 October, 2016

After years of next to no progress on the long term issues of tunnels, crib breaks and relief points, the RTBU recently wrote to all the major players including Pacific National, Aurizon, Freightliner, ARTC, Hunter Valley Coal Chain Coordinator and the Office of National Safety Regulation (ONSRR) to request a meeting.
