

STA Member Bulletin

Categories : [News](#)

Date : 23 September, 2020

Bulletin No. 48.20

Dear members,

We visited STA depots last week to discuss what's happened and where we go from here. Topics covered include the decision to strike and then call off the strike, the Transport for NSW 'staff briefing', the future with two unions in the workplace and how we are working to protect members down the track in a private environment if we can't stop privatisation.

Please click [HERE](#) to download the bulletin.
