With spring in the air and summer just around the corner, your RTBU Picnic Day is coming up!

These picnic days are a great opportunity to relax and unwind, and money raised goes back to support the work of the picnic committees.

With picnic days being written out of employment conditions for other organisations, make sure you show your support by coming along and taking part, or this may become another condition taken away.

Come along to the picnic and you'll even pick up a day's pay or an additional paid day in your leave!

**Remember the Picnic Day is your day so support it by buying your ticket.**

Contact your delegate to find out about the picnic in your local area.
