

TfNSW Health Update: Testing requirements for Transport employees

Categories : [COVID19](#), [News](#), [RTBU News](#)

Date : 19 August, 2021

IMPORTANT UPDATE

Transport for NSW has released new information on COVID-19 testing for transport workers.

There are a number of circumstances in which workers may need to be tested for COVID-19. Please read the fact sheet carefully for everything you need to know about the different types of testing, information on each and how they apply to you.
