Date : 7 January, 2021

Restrictions to remain in place until 13th January.

In accordance with the Public Health (Jervis Bay Territory) Emergency Direction issued on 21 December, visitors from identified COVID hotspots (that is, Sydney Northern Beaches, Greater Sydney, Blue Mountains, Central Coast and Wollongong) are not allowed to visit the Jervis Bay Territory (JBT).

We have been advised that the JBT Public Health Direction #13 remains in force as do the associated Hotspot directions.

ACT Health are meeting on January 12 to review and an update is likely on January 13, JBT Direction 13 will pick up automatically and updates to the ACT Interstate Hotspot Direct.

We will update as new information becomes available
