

Airport Link Update

Thank you to all those members who attended our meetings on Monday 9th & 15th June 2020.

During the meetings, several issues were discussed and as a result the following resolutions were passed by the members present:

- That NO union official or delegate will meet with management on their own.
- That an Expression of Interest to nominate as Union delegates be conducted.

Therefore, we wish to advise that the RTBU NSW returning officer will conduct a call for nominations shortly to all Airport Link members for the six local delegate positions as indicated below:

International Airport	Delegate Co-Delegate
Domestic Airport	Delegate Co-Delegate
Green Square / Mascot	Delegate Co-Delegate

If we only receive one nomination for each delegate position, at the conclusion of the nomination period the candidate will be declared elected uncontested.

Should multiple candidates nominate for a delegate position, a postal ballot will be run to determine an outcome.

In the meantime please send your expression of interest for the delegate roles or for further information please contact: nswwho@rtbu-nsw.asn.au

Remember: A united workforce is an unbeatable workforce!
