

Survey: Restructure Corporate Services

Last week Sydney Trains and NSW Trains Corporate Services members were hit with a bombshell announcement about a proposed restructure combining all Corporate Functions of Sydney Trains and NSW Trains under Transport for NSW.

Members fear this is the start of a push to privatise Sydney Trains and NSW Trains and cut hundreds of jobs.

Management have said '*consultation*' will close on July 15.

We are taking **ACTION!**

1. Transport for NSW have opened up a feedback portal – Overwhelm it with your feedback making it clear that you don't support this change.

[Click here to complete](#)

2. The Combined Rail Unions have designed our own survey to gather feedback. We want to find out what you think. Fill out this [short survey](#) by July, 13.

Share [this link](#) with ALL of your work mates.

3. Attend this Zoom Mass Members meeting on Thursday the 9th of July at 12.30pm-1.30pm. [Click here to join](#). (The password is: 591897).

Ask your colleagues to join the RTBU - there has never a more important time.

Here is a [membership form](#) to send around to your work mates.

If you any questions please reply to this email, speak to your delegate or organiser or call the Union office.
