

To: All RTBU Station Staff Members,

Senior Station Staff Delegate Under Attack

The RTBU has recently received many messages of support for our Senior Station Staff delegate with many members emailing the Branch Secretary directly to show their solidarity and willingness to take any steps necessary to remedy the situation.

Many members have also expressed their dissatisfaction directly to Sydney Trains management as well and we do encourage others to communicate their disapproval to their relevant Manager.

Needless to say, we will be throwing our full support behind our delegate who is currently under pressure. Any victimisation is unacceptable, and union delegates who stand up for their members should not be subjected to targeting and harassment by their employer.

If you experience any targeting, harassment, or vilification because of your union membership or role as a delegate, please contact your organiser urgently.

If you are not a member, now is the time to join and stand together with other Station Staff. Contact your local delegate for an application form, or email nswwho@rtbu-nsw.asn.au.

N.B: At the time of issue, we have just been informed that another Senior Station Staff delegate has had their employment terminated. We are currently offering him our support.
