### The Description of the Impact

When you submit your Application, you will also need to attach any evidence you rely on to show the impact of the 2022 flood event on you.

Examples of evidence you could include:

- photos of the damage to your property and household items
- evidence that the damage is actually at your address by ensuring your house number is in the photo, if possible
- proof of your address by sending a photocopy of your licence
- evidence of any claims you have made in respect of the damage to your property
- evidence of any injury to you.

Please also provide a brief written explanation of the loss you have suffered below:

### Amount

If you wish to be considered for an amount less than the full gift \$1000, please nominate an amount:
