## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF RAIL TRAM AND BUS UNION OF NEW SOUTH WALES**

### Opinion

We have audited the accompanying financial report of Rail Tram and Bus Union of New South Wales ("the Union"), which comprises the statement of financial position as at 31<sup>st</sup> December 2023, the statement of comprehensive income, statement of changes in members' equity, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies, and the Certificate by Committee of Management.

In our opinion, the financial report presents fairly, in all material respects, in accordance with the Industrial Relations Act 1996, and applicable Accounting Standards and other mandatory professional reporting requirements in Australia, the financial position of the Union as at 31<sup>st</sup> December 2023, and its financial performance and its cash flows for the year then ended.

As part of the audit of the financial statements, we have concluded that management's use of the going concern basis of accounting in the preparation of the financial report is appropriate.

### Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Union in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (*including Independence Standards*) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Report on other Legal and Regulatory Requirements

With respect to Section 514 of Industrial Relations Act 1991 (NSW), we report that;

- (i) satisfactory accounting records were kept in respect of the year ended 31 December 2023 including records of the sources and nature of income (including income from members) and the records of the nature and purposes of expenditure; and
- (ii) the attached financial statement including the Certificate by Committee of Management and Accounting Officer Statement are prepared in accordance with Section 510 of the Industrial Relations Act 1991 (NSW), as applied by Section 283 (3) of the Industrial Relations Act 1996 and has been properly prepared from accounting records of the Union.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF RAIL TRAM AND BUS UNION OF NEW SOUTH WALES**

### Committee of Managements' Responsibilities for the financial report

The Committee of Management of the Union (the "Committee") is responsible for the preparation and fair presentation in accordance with the Australian Accounting Standards (including Australian Accounting Interpretation) and the Industrial Relations Act 1996 and for such internal control as the Committee determines is necessary to enable the preparation of the financial report that is free from material misstatement whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee either intends to liquidate the Union or to cease operations, or have no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error that are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Union's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee.
- Conclude on the appropriateness of the Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Union's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Union to cease to continue as a going concern.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF RAIL TRAM AND BUS UNION OF NEW SOUTH WALES**

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Union to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the Union audit. We remain solely responsible for our audit opinion.

We communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We declare that we are an auditor registered under the RO Act.

## RAIL, TRAM AND BUS UNION OF NEW SOUTH WALES

NOTES TO THE FINANCIAL STATEMENTS  
For the Year Ended 31st December 2023**NOTE 1 – MATERIAL ACCOUNTING POLICY INFORMATION**

The financial statement is a general purpose financial statement that has been prepared in accordance with Australia Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB), other mandatory professional reporting requirements and the Industrial Relations Act 1996.

The financial report is prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

**(a) Related Party and Financial Support**

These financial statements relate to Rail, Tram and Bus Union of New South Wales ("State Union"), which is an industrial organisation for the purposes of the Industrial Relations Act 1996 (NSW) and is a separate legal entity to the Australian Rail, Tram and Bus Industry Union, New South Wales Branch which is a reporting unit for the purposes of the Fair Work (Registered Organisations) Act 2009 ("Branch").

Members of the Branch are also members of the State Union. The Branch accounts for the whole of the members' income and is responsible for all expenditure other than income and expenditure which related specifically to the assets of the State Union.

The Branch financially supports the State Union by assisting, as required with the maintenance of State Union assets in exchange for use of such assets.

**(b) Property, Plant & Equipment.**

Each class of property, plant and equipment is carried at cost or at fair value less, where applicable any accumulated depreciation.

**Plant and equipment**

Plant and equipment are included at cost. The carrying amount is reviewed annually by the Committee of Management to ensure it is not in excess of recoverable amount.

**Property for own use**

Freehold land and buildings are measured on the fair value basis, being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction. It is the policy of the State Union to have periodic independent valuations, with annual appraisals being made by the committee. The last independent valuation was carried out on 31 December 2023 for Level 4 Pitt Street. The property is measured at fair value through other comprehensive income.

**Investment property**

Property held to earn rental income is separately disclosed from property held for own use. Investment properties are measured on the fair value basis. As with property held for own use, it is the policy of the State Union to have periodic independent valuations, with annual appraisals being made by directors. The last Independent valuation for Sussex Inlet was carried out on 3 February 2017. No depreciation is provided where the fair value basis is used. Investment property are measured at fair value through profit and loss and a loss on investment has been recorded in the current year with a management's assessment at 31 December 2023.

## RAIL, TRAM AND BUS UNION OF NEW SOUTH WALES

## NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31st December 2023

**NOTE 1 – MATERIAL ACCOUNTING POLICY INFORMATION (CONT.)**

## (c) Income Tax

No provision for income tax is necessary, as "Trade Unions" are exempt from income tax under Section 50.1 of the Income Tax Assessment Act 1997.

## (d) Fair value measurement

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principal market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interests. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

## (e) Financial Liabilities

Financial liabilities are classified as other financial liabilities. Financial liabilities are recognised and derecognized upon 'trade date'. Other financial liabilities, including borrowings and trade and other payables, are initially measured at fair value, net of transaction costs.

**Derecognition of financial liabilities**

The State Union derecognises financial liabilities when, and only when, the State Union's obligations are discharged, cancelled or they expire. The difference between the carrying amounts of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

## (f) Critical accounting judgements and estimates

No accounting assumptions or estimates have been identified that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

## (g) New and Future Australian Accounting Standards

Adoption of New Australian Accounting Standard requirements

No accounting standard has been adopted earlier than the application date stated in the standard.

Future Australian Accounting Standards Requirements

No new standards, amendments to standards or interpretations that were issued prior to the sign-off date and are applicable to the future reporting period that are expected to have a future financial impact.
