

The Right Signal – Navigating your rights with confidence

The Signallers Sub-Division understands that many members may be unaware of their rights under the *Sydney Trains and NSW TrainLink Enterprise Agreement 2022 (Agreement)*.

Regrettably, the lack of clarity has permitted Sydney Trains to take advantage of the situation. To combat this exploitation and empower our members, we are excited to announce the launch of online member education sessions every two months. These sessions will ensure that each member gains a thorough understanding of their Agreement, equipping you with the knowledge to stand strong.

We will cover essential topics such as the Dispute Settlement Procedure (**DSP**), Fair Decision Framework (**FDF**), Disciplinary Matters, and Flexible Working Arrangements.

Each session will feature an insightful guest speaker and will last around 30 minutes, providing ample time for questions and discussions.

Your knowledge and rights matter so don't miss this opportunity to be informed and engaged!

The details of our first session are as follows:

Subject: Understanding your DSP.
Time: 1700hrs – 1730hrs.
Date: Tuesday, 8 April 2025.
